## About Us

---

**Found in Ho Chi Minh City, Vietnam by,  
Mr. Long Huynh - Founder  
Mr. Loc Tran - Co-founder**

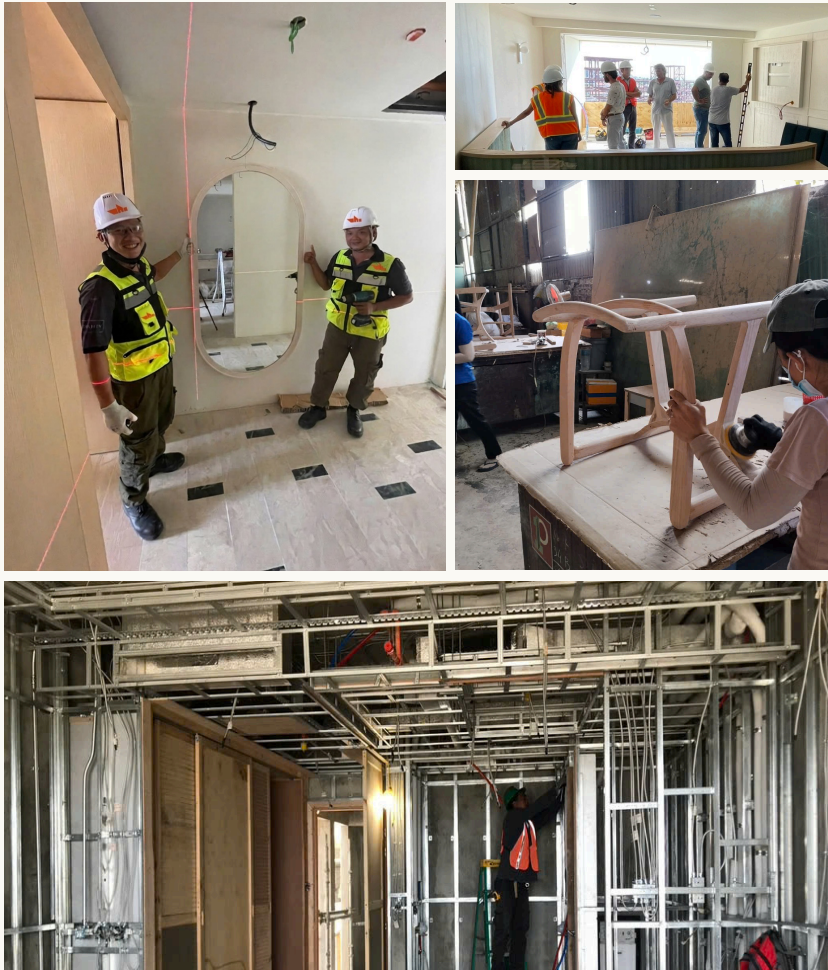

VAI has specializing in residential & hospitality projects, with a strong focus on townhouses, villas, and apartments, hotels and resorts...Our team is dedicated to delivering thoughtful design, manufacture and build solutions that balance aesthetics, functionality, and construction practicality.

With experience in both interior design, fit-out works and custom furniture production, we provide an integrated workflow from concept development to production and on-site execution. This allows us to maintain consistency in design quality, material selection, and finishing details throughout every stage of the project.

***“Keeping faith, full of faith”***

---

## WHAT WE DO

### CONSULTING
